Re: CFTC Regulation 40.6(a) Certification. Notification Regarding Suspension of Listing Additional Contract Months for Seven (7) Fuel Oil Futures and Option Contracts. NYMEX Submission No. 15-460

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. (“NYMEX” or “Exchange”) is notifying the Commodity Futures Trading Commission (“CFTC” or “Commission”) that it is self-certifying the suspension of listing of additional contract months for seven (7) fuel oil futures and option contracts, effective on Sunday, November 8, 2015 for trade date Monday, November 9, 2015, as noted in the table below. The changes to the listing cycle and contracts available for trading generate from a change in the specification of the underlying cash market prices provided by Platts.

In addition, pursuant to NYMEX Submission No. 15-459 also dated today, Friday, October 23, 2015, the Exchange is separately notifying the CFTC that it delisted previously-listed contracts months for these contracts effective immediately. There was no open interest in the delisted contract months.
