The Exchange reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“Act” or “CEA”) and identified that the expansion of the listing schedule of the Contracts may have some bearing on the following Core Principles:

- **Availability of General Information**: COMEX will issue a Special Executive Report (“SER”) to the marketplace regarding these amendments. The SER will also be posted on the CME Group website.
- **Daily Publication of Trading Information**: COMEX will continue to comply with this Core Principle by making public daily information on settlement prices, volume, open interest, and opening and closing ranges for the Contracts. This will be accomplished by publishing this information on a daily basis on the Exchange’s website.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchange hereby certifies that the expansion of the listing schedule of the Contracts comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the Exchange’s website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
