**RE: CFTC Regulation 40.6(a) Certification. Notification Regarding the Delisting of Previously-Listed Contract Months for Three (3) Gulf Coast Gasoline Futures Contracts.
NYMEX Submission No. 15-558**

Dear Mr. Kirkpatrick:

Effective immediately, New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying the delisting of three (3) Gulf Coast Gasoline contracts starting with the April 2016 contract month and beyond. Platts has announced that it will discontinue the assessment for the M1 grade of gasoline effective in March 2016, and therefore the Exchange will discontinue listing contract months effective starting with the April 2016 contract month and beyond.

The three (3) futures contracts are:

Commodity Code (Clearing/CME Globex)	Contract Title	NYMEX Rulebook Chapter
RV/RV	Gulf Coast Unl 87 Gasoline M1 (Platts) vs. RBOB Gasoline Futures	557
GS/AGS	Gulf Coast Unl 87 Gasoline M1 (Platts) Futures	526
RU/ARW	Gulf Coast Unl 87 Gasoline M1 (Platts) Crack Spread Futures	512

These contracts are listed for trading on CME Globex and for submission for clearing via CME ClearPort. No additional contract months shall be listed for this contract. As such, the last contract month available for trading and clearing is March 2016. There is no open interest in the delisted contract months.

The Exchange reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA" or "Act") and identified that delisting certain previously-listed contract months may have some bearing on the following Core Principles:

- **Emergency Authority:** There is no open interest in the previously-listed contract months being delisting, and therefore there will be no market disruption related to their delisting.
- **Availability of General Information:** The Exchange will make publicly available the details of the contract month delisting by publishing a Special Executive Report ("SER") to the market.

Furthermore, the Exchange will publish information on the contract's revised specifications on its website.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Regulation 40.6(a), the Exchange hereby certifies that the amendment this rule chapter complies with the Act, including regulations under the Act. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or via e-mail at CMEGSubmissionsInquiry@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
