**Re: CFTC Regulation 40.6(d) Notification. Commodity Exchange, Inc. (“COMEX” or “Exchange”) Weekly Notification of Amendments Related to Product Terms and Conditions.
COMEX Submission No. 18-543**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(d), the Exchange submits this weekly notification of the following amendments related to product terms and conditions made effective during the week of December 10, 2018.

Effective Wednesday, December 12, 2018, the Exchange suspended eligibility of the Republic Metals Corporation gold and silver brands (“RMCO”) for delivery against the Exchange’s Gold Futures, Silver Futures and Gold Kilo Futures contracts (the “Contracts”) as more specifically described in Special Executive Report (“SER”) #8302, which is attached hereto as Exhibit A.

More specifically, effective Wednesday, December 12, 2018 6:00 p.m. Central Time (CT) (the “Effective Time”), COMEX suspended eligibility of the Republic Metals Corporation gold and silver brands (“RMCO”) for delivery against the Contracts. Therefore, RMCO produced after the Effective Time shall not be eligible for delivery against the COMEX gold and silver futures contracts noted in the SER.

It should be noted that the Exchange has been advised that there is a mechanism in place to determine eligibility of RMCO’s bars as the bar number incorporates the date of production. For example, a bar with the number 121218001 would denote that such bar was produced on December 12, 2018 and should be deemed eligible for delivery against the respective Exchange futures contracts and a bar with the number 121318001 would mean it was produced on December 13, 2018 and would be deemed ineligible for delivery against the respective Exchange futures contracts.

If you require any additional information, please contact the undersigned at (212) 299-2200 or via e-mail at CMESubmissionInquiry@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
