RE: Weekly Notification of Rule Amendments: Nadex Adds Discretionary Strikes for the Week of December 12, 2016 - Submission Pursuant to Commission Reg. §40.6(d)

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended (“Act”), and section §40.6(d) of the regulations promulgated by the Commodity Futures Trading Commission (the “Commission”) under the Act (the “Regulations”), and by the authority granted in Nadex Rule 12, North American Derivatives Exchange, Inc. (“Nadex”, the “Exchange”) hereby provides notice that due to volatility in the underlying markets upon which the Nadex contracts are based, Nadex added strike levels on a discretionary basis in its Daily US Tech 100 on December 13, 2016. Nadex returned to its regular strike listing for these contracts on December 14, 2016. The specific added discretionary strike levels are attached in Exhibit A.

Additionally, although Intraday Germany 30 and FTSE 100 Intraday contracts are generally unavailable for trading during the week of a symbol rollover, on December 13, 2016, the 5:00am ET through 11:00am ET expiration times for the 2-Hour Intraday Germany 30 and FTSE 100 contracts were open for trading.

Nadex hereby certifies that the additions and amendments contained herein comply with the Act, as amended, and the Commission Regulations adopted thereunder. No substantive opposing views were expressed to Nadex with respect to these additions. Nadex hereby certifies that notice of these events was posted on its website at the time of this filing.

Should you have any questions regarding the above, please do not hesitate to contact me by telephone at (312) 884-0927 or by email at jaime.walsh@nadex.com.

Sincerely,

Jaime M. Walsh
Legal Counsel
