Re: CFTC Regulation 40.6(a) Certification. Notification Regarding Suspension of

Listing Additional Contract Months for the Freight Route TD3 (Baltic) Average Price

Option Contract.

NYMEX Submission No. 15-484

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying the suspension of listing additional contract months for the Freight Route TD3 (Baltic) Average Price Option contract, effective on Sunday, January 10, 2016 for trade date Monday, January 11, 2016, as noted in the table below. As such, the last contract month available for trading and clearing is December 2017. The change to the listing cycle and contracts available for trading generate from a change in the specification of the underlying index prices provided by Baltic Exchange.

In addition, pursuant to NYMEX Submission No. 15-530, also dated today, Monday, December 21, 2015, the Exchange is separately notifying the CFTC that it delisted previously-listed contract months for the Freight Route TD3 (Baltic) Futures contract, effective immediately. There was no open interest in the delisted contract months.

Commodity Code (Clearing / Globex)	Contract Title	NYMEX Rulebook Chapter	Current Listing Schedule	Suspended Listing Schedule as of December 21, 2015
TDT	Freight Route TD3 (Baltic) Average Price Option contract	949	Current year and next calendar year	All consecutive months through and including December 2017

The option contract is listed for trading on CME Globex and the trading floor and for submission for clearing through CME ClearPort.

The Exchange reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA" or "Act") and identified that the amendment to the listing cycle of the contract may impact the following Core Principles:

• <u>Availability of General Information</u>: The Exchange will make publically available the details of the contracts' listing schedule change by publishing a notice to the market.

- <u>Daily Publication of Trading Information</u>: The Exchange will make public daily information on settlement prices, volume, open interest, and opening and closing ranges for actively traded contracts on the contract markets.
- <u>Execution of Transactions</u>: The option contract is listed for trading on CME Globex and the trading floor and for submission for clearing through CME ClearPort.

Pursuant to Section 5c(c) of the CEA and CFTC Regulation 40.6(a), the Exchange hereby certifies that the amendment to the listing schedule of the Freight Route TD3 (Baltic) Average Price Option contract complies with the Act, including regulations under the Act. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at http://www.cmegroup.com/market-regulation/rule-filings.html.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or via e-mail at CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/Christopher Bowen
Managing Director and Chief Regulatory Counsel
