RE: CFTC Regulation 40.6(d) Notification. New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") Weekly Notification of Product Terms and Conditions Amendments. NYMEX Submission No. 14-582

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission ("CFTC" or "Commission") Regulation 40.6(d), the Exchange submits this weekly notification of the following product terms and conditions amendments made effective during the week of December 15, 2014.

On Wednesday, December 17, 2014, the Exchange made amendments to the NYMEX Rulebook in order to expressly clarify the applicability of a temporarily trading halt provision for two (2) crude oil option contracts and two (2) natural gas option contracts. The changes are administrative as the special price limitation functionality is currently implemented in the system based on the governing underlying contracts, CL and NG, respectively. Amendments to the NYMEX Rulebook are attached hereto as Exhibit A, with additions <u>underscored</u>.

If you require any additional information, please e-mail <u>CMEGSubmissionInquiry@cmegroup.com</u> or contact the undersigned at (212) 299-2200.

Sincerely,

/s/ Christopher Bowen Managing Director and Chief Regulatory Counsel
