

Climate Impact X

CIX was born out of a public - private initiative to establish Singapore as a **climate services and carbon trading hub**.

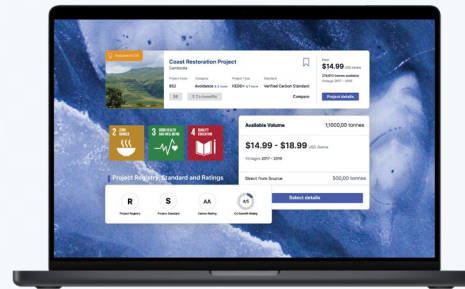

Our mission is to create real climate impact by turning **trust** in carbon credits into **tangible & actionable** outcomes.

We deliver our trust offering via a global **marketplace**, **auctions house** and **exchange** for carbon credits.

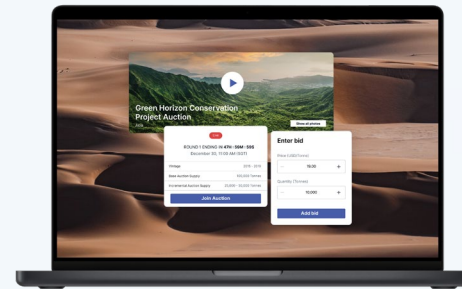

Jointly established by:

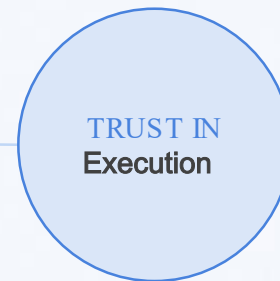

CIX Marketplace

CIX Auctions

CIX Exchange

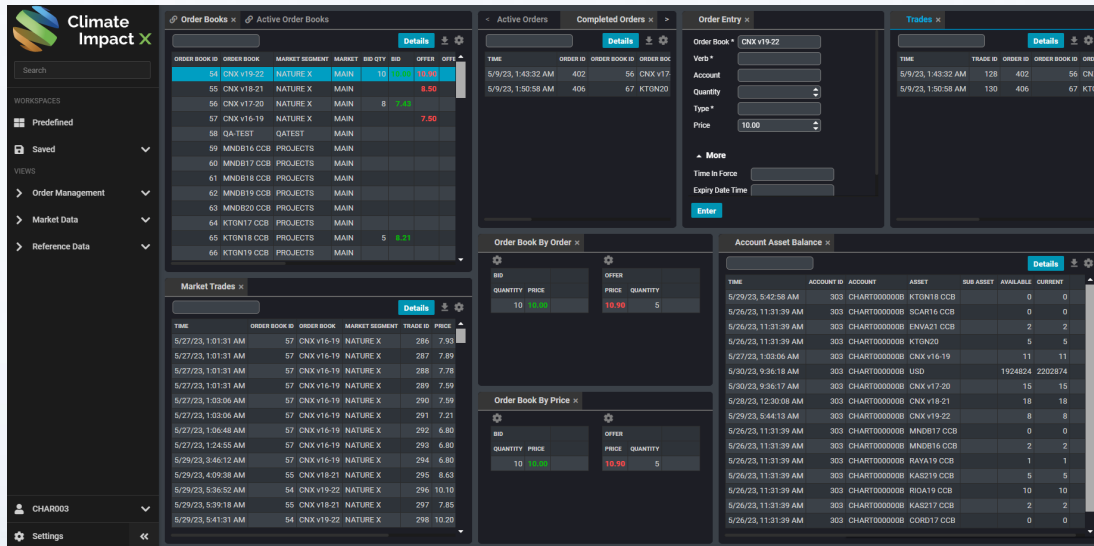

CIX COMMUNITY

Connecting buyers, suppliers and key ecosystem enablers
