

The Commodity Futures Trading Commission ("CFTC" or "Commission) intends to issue a purchase order to LitSavant LTD to procure Conformity Software Engine that works with the Relativity ecosystem that enables an authorized user to design and implement rules which can then be applied to the legal team Relativity data entry process.

This notice does not constitute a solicitation for offers and, as such, no solicitation is available. However, the Government will consider responses from all responsible sources received by February 28, 2019. Written responses must include sufficient information to establish capability to fulfill the requirement. Any responses received will only be considered for the purpose of determining whether to conduct a future competitive procurement in lieu of the sole source contract described in this notice, and such determination shall be made at the sole discretion of CFTC.
