

The Commodity Futures Trading Commission ("CFTC" or "Commission) intends to issue a purchase order to SANS for access to the Advanced Cybersecurity Learning Platform (ACLP) for a period of performance of a base period of two (2) years. CFTC currently uses ACLP for specialized Cybersecurity awareness education and training as required under the Federal Information Security Modernization Act (FISMA).

This notice does not constitute a solicitation for offers and, as such, no solicitation is available. However, the Government will consider responses from all responsible sources received by the response date and time identified in this synopsis. Written responses must include sufficient information to establish capability to fulfill the requirement. Any responses received will only be considered for the purpose of determining whether to conduct a competitive procurement in lieu of the sole source contract described in this notice, and such determination shall be made at the sole discretion of CFTC.
