Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the service(s) to the Government.

2. The action will result in authorizing small entities to furnish the service(s) to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501–8506) in connection with the service(s) proposed for addition to the Procurement List.

End of Certification

Accordingly, the following service(s) are added to the Procurement List:

Service Type: Custodial Service

Mandatory for: US Army, Air National Guard Readiness Center, Joint Base Andrews, Maryland

Authorized Source of Supply: Chimes District of Columbia, Baltimore, MD

Contracting Activity: DEPT OF THE ARMY, W39L USA NG READINESS CENTER

The Committee finds good cause to dispense with the 30-day delay in the effective date normally required by the Administrative Procedure Act. See 5 U.S.C. 553(d). This addition to the Committee's Procurement List is effectuated because of the expiration of the DEPT OF THE ARMY, W39L USA NG READINESS CENTER contract. The Federal customer contacted and has worked diligently with the AbilityOne Program to fulfill this service need under the AbilityOne Program. To avoid performance disruption, and the possibility that the DEPT OF THE ARMY, W39L USA NG READINESS CENTER will refer its business elsewhere, this addition must be effective on 7/14/2024, ensuring timely execution for a 7/16/2024 start date while still allowing nine (9) days for comment. The Committee also published a notice of proposed Procurement List addition in the **Federal Register** on 4/12/2024 (89 FR 25867) and did not receive any comments from any interested persons. This addition will not create a public hardship and has limited effect on the public at large, but, rather, will create new jobs for other affected parties—people with significant disabilities in the AbilityOne program who otherwise

face challenges locating employment. Moreover, this addition will enable Federal customer operations to continue without interruption.
