ISSUANCE OF COMPLAINT - CEA DOCKET NO. 233

(Administrative Hearing Under the Commodity Exchange Act)

A complaint and notice of hearing has been signed by the Assistant Secretary of Agriculture charging violation of the Commodity Exchange Act by:

Harry Breecker and Samuel Alama

(Honolulu and Kailua, Hawaii)

The complaint charges that Harry Breecker bucketed customers' orders, acted as a futures commission merchant without being so registered, mishandled customers' funds, and cheated, defrauded, and deceived his customers. The complaint alleges that Samuel Alama also acted as a futures commission merchant without being so registered and that he mishandled customers' funds. All of the above charges covered the period from on or about April 7, 1970, through on or about September 15, 1972.

The issuance of a complaint under the Commodity Exchange Act does not constitute proof of violation of the Law. Such violation is established only when there has been a determination that the evidence substantiates allegations in the complaint. A determination is considered as having been made when a decision of the Administrative Law Judge becomes final or, after appeal, a decision is made by the Judicial Officer of the Department. Complaints are filed in the Office of the Hearing Clerk of the Department of Agriculture and are a matter of public record. Pending disposition of a complaint, it is the policy of the CEA not to comment or elaborate on charges contained therein or to discuss evidence on which it is based.

A public hearing on the complaint will be held before the Administrative Law Judge in Honolulu, Hawaii, at a date and time to be specified at a later date.
