ISSUANCE OF COMPLAINT -- CEA DOCKET NO. 109

(Administrative Hearing under the Commodity Exchange Act)

A complaint and notice of hearing has been signed by the Assistant Secretary of Agriculture, charging violation of the Commodity Exchange Act by:

Internatio (Wool), Inc., and

Albert T. Aladjem

(Boston, Massachusetts)

The complaint charges attempted manipulation and manipulation of the price of the May 1962 wool future on the Wool Associates of the New York Cotton Exchange, Inc., on May 23, 1962. It alleges that Internatio (Wool), Inc., controlled most of the certificated wool deliverable on the May 1962 wool futures contract and held a long futures position on the exchange which was far in excess of the available supply of certificated wool not controlled by it. The complaint further alleges that with knowledge of these facts, Albert T. Aladjem, acting for Internatio (Wool), Inc., demanded and received prices for the May 1962 future which were in excess of the price justified by supply and demand.

The issuance of a complaint under the Commodity Exchange Act does not constitute proof of violation of the law. Such violation is established only when the Judicial Officer of the Department has made a determination that the evidence substantiates allegations in the complaint. Complaints are filed in the Office of the Hearing Clerk of the Department of Agriculture and are a matter of public record. Pending disposition by the Judicial Officer, it is the policy of the Commodity Exchange Authority not to comment or elaborate on charges contained in complaints or to discuss evidence on which they are based.

A public hearing on the complaint is scheduled to be held before a referee at 10:00 a.m., local time, December 11, 1962, in Boston, Massachusetts.
