Re: **Amended Supplemental Letter to NYMEX Rule Certification (Submission #07.52)**

Dear CFTC Commissioners:

In a recent certification filing involving the shifting of certain New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") products from being listed on Globex® to being listed for trading on the NYMEX trading floor, NYMEX confirmed that each of these products would continue to be available as part of the NYMEX ClearPort® Clearing (CPC) product slate. As requested, NYMEX also wishes to confirm that the exchange of futures for swaps procedure will continue to be the procedure by which off-exchange transactions in these products will be submitted to NYMEX for the CPC service, and that this procedure will continue to be governed by the terms of NYMEX Rule 6.21A .

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2207.

Very truly yours,

Brian J. Regan
Vice President and Counsel
