Re: Rule Certification. NYMEX Submission 07-73: Notification of Approved Amendments to Supplement No. 1, "Official List of Approved Refiners and Brands" of the Gold Futures Contract.

Dear CFTC Commissioners:

The New York Mercantile Exchange, Inc. ("NYMEX" or the "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") of amendments to Supplement No. 1, "Official List of Approved Refiners and Brands" of the Gold Futures Contract to be implemented effective Monday, August 6, 2007.

The amendments change the hallmark or brand insignia incised on the gold bars produced by Umicore Brasil Ltda from "DEGUSSA S.A. (with ½ sun and ¼ moon within diamond)" to "UMICORE BRASIL." Production of the "DEGUSSA S.A. (with ½ sun and ¼ moon within diamond)" terminated on December 31, 2005. Since there are gold bars bearing the "DEGUSSA S.A. (with ½ sun and ¼ moon within diamond)" in the Exchange Licensed Depositories for gold, this brand may not be delisted and will continue to be deliverable. However, it will be marked with an asterisk * indicating that it is no longer produced. Umicore Brasil Ltda is an Approved Refiner for the Exchange's Gold Futures Contract through its acquisition of OMG AG & Co. KG. Please refer to Exchange Submission 05-23 dated February 15, 2005.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendment complies with the Act, including regulations under the Act. These amendments will go into effect on Monday, August 6, 2007.

Should you have any questions concerning the above, please contact Joann Arena at (212) 299-2356 or James Zeng at (212) 299-2612.

Very truly yours,

Robert A. Levin
Senior Vice President - Research
