Rule Certification

Dear Mr. Stawick:

Pursuant to Commission Regulation 40.6(a), the Chicago Board of Trade (CBOT[®]) hereby submits the following:

- **Establish temporary membership privileges with respect to covered option spreads (futures/options spreads executed as a single transaction) in Denatured Fuel Ethanol contracts for holders of CBOT Series B-4 (IDEM) Membership status for the period ending September 30, 2008.**

This program temporarily will expand the privileges of individuals in the B-4/IDEM category. This category ordinarily does not include membership status with respect to transactions which include an options component.

The CBOT intends to implement this program as of trade date October 5, 2007, concurrently with the launch of trading in CBOT Denatured Fuel Ethanol options.

There were no opposing views concerning this program.

The CBOT certifies that this program complies with the Commodity Exchange Act and the rules thereunder.

Sincerely,

Paul J. Draths
Vice President and Secretary
