Dear Mr. Stawick:

Pursuant to Commission Regulation 40.6(a), the Chicago Board of Trade (CBOT®) hereby submits the following changes in holiday-related trading schedules. (All times shown are Central Time.)

- **On Friday, November 23 and Monday, December 24, 2007, CBOT Stock Index contracts will close early at 12:15 p.m. for open auction trading and at 12:30 p.m. for e-cbot® (electronic) trading.**
- **Beginning in January 2008 (following the migration of CBOT's electronic markets from e-cbot to CME Group Globex®), the holiday-related electronic trading schedules for CBOT interest rate and equity products will be modified. As a result, the electronic hours for these products on pre-holidays and holidays generally will conform with the schedules for comparable Chicago Mercantile Exchange products. (The complete 2008 holiday schedule is available at the CME Group website.)**

There were no opposing views concerning these revisions.

The CBOT certifies that these revisions comply with the Commodity Exchange Act and the rules thereunder.

Sincerely,

Paul J. Draths
Vice President and Secretary
