**Re: Relisting of Four Currency Pair Futures Contracts  
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Stawick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6, ICE Futures U.S., Inc. ("Exchange") submits, by written certification, a notice to the Commission that the Exchange will be relisting four currency pair futures on Monday, November 26, 2007.

Effective with the start of trading on Monday, November 26, the Exchange is relisting the March 2008 contract months for the following four currency pair futures contracts:

<u>Futures Contract</u>	<u>Contract Size</u>	<u>Contract Symbol</u>
US dollar/Czech koruna	200,000 US dollars	UZ
US dollar/Hungarian forint	200,000 US dollars	UF
US dollar/Norwegian krone	200,000 US dollars	NS
US dollar/Swedish krona	200,000 US dollars	KU

In Submission 07-61, dated October 10, 2007, the Exchange informed the Commission of the delisting of all contract months with no open interest in twelve currency pair futures contracts. The currency pairs listed above are a subset of those included in Submission 07-61. At the time the contracts were delisted, the Exchange had intended to relist these four currency pairs as new, smaller-sized futures contracts trading under different symbols. The listing of these new, smaller sized contracts is expected to occur in the first quarter of 2008, with June 2008 as the initial contract month. In the interim, the Exchange will relist these four contracts in the current, larger, size to provide market participants with a means of hedging until the new, smaller, contracts are listed in the first quarter of 2008.

The listing of the four currency pairs was approved by the Exchange's Board of Directors on October 10, 2007. No substantive opposing views were expressed by members or others with respect to the new rules and rules amendments.
