Re: Notification Regarding New Effective Date for CBOT Submissions No 12-360 and 12-327

Dear Mr. Shilts:

The Board of Trade of the City of Chicago, Inc. ("CBOT" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC") that it intends to change the effective date relating to CBOT Submissions No 12-360 and 12-327. Submission 12-360, dated 26 October 2012, relates to the term terms and conditions for 2-Year US Dollar Interest Rate Swap futures, 5-Year US Dollar Interest Rate Swap futures, 10-Year Interest Rate Swap futures, and 30-Year US Dollar Interest Rate Swap futures ("USD IRS futures"). Submission No 12-327 relates to the implementation of a market maker program in support of these contracts.

In the original submissions, the Exchange stated that it intended to list these contracts for trading beginning on Tuesday, 13 November 2012. The Exchange now intends to list these contracts for trading beginning Monday, 3 December 2012. These changes are to permit adequate time to prepare for the introduction of these contracts for those market participants whose operations have been disrupted by Hurricane Sandy.

If you require additional information regarding this action, please do not hesitate to contact me at 312-466-7478 or my colleague Frederick Sturm at 312-930-1282.

Sincerely,

/s/ Tim Elliott
Executive Director and Associate General Counsel
