RE: Revised Launch Date for New Standard-Size and E-Micro-Size  
U.S. Dollar/Offshore Chinese Renminbi ("USD/CNH") Futures Contracts

Dear Ms. Warfield:

By this correspondence, the Chicago Mercantile Exchange Inc. ("CME" or "Exchange") wishes to inform the Commission that CME is changing the previously submitted launch date for the new Standard-size and E-micro-size U.S. Dollar/Offshore Chinese Renminbi ("USD/CNH") futures contracts from Sunday, November 18, 2012 (trade date Monday, November 19, 2012) to Sunday, February 24, 2013 (trade date Monday, February 25, 2013). The Exchange originally notified the Commission of the launch of these products and their respective rules in CME Submission 12-287, dated Thursday, September 13, 2012.

The CME will notify shareholders, members, and market participants of the new launch date and other pre-launch information for the new Standard-size and E-micro-size USD/CNH futures contracts in CME Group Special Executive Report, S-6444, dated Thursday, November 1, 2012.
