Re: Rule Certification. New York Mercantile Exchange, Inc. Submission #11-002: Notification of Administrative Amendments to Chapter 5, Position Limit, Position Accountability and Reportable Level Table of the NYMEX Rulebook to Correct a Typographical Error in the Expiration Month Limits for Two (2) Natural Gas Contracts

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying administrative amendments to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook. The amendments are intended to correct a typographical error in the expiration month limit for the Florida Gas, Zone 2 Natural Gas Swing Swap (Platts Gas Daily) futures contract (Chapter 463, Contract X5), as well as the expiration month position limit for the Florida Gas, Zone 2 Natural Gas Index Swap (Platts Gas Daily/Platts IFERC) futures, contract (Chapter 441, Contract C3), which is an existing related contract that aggregates into the Contract X5. The expiration limit for Contract X5 should be 50, rather than 100. The expiration limit for Contract C3 should be 50/150, rather than 100/150.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. This change will be made effective immediately.

Should you have any questions concerning the above, please contact Glenn Hofferber, Associate Director, Market Surveillance, at (212) 299-2884, Ryne Toscano, Lead Market Surveillance Analyst, at (212) 299-2879 or me at (212) 299-2200.

Sincerely,

/s/ Christopher Bowen
Managing Director and Regulatory Counsel
