**RE: CME Standard-Sized and E-Micro Indian Rupee/U.S. Dollar Futures Market  
Maker Incentive Program  
CME Submission No. 13-006**

Dear Ms. Warfield:

Chicago Mercantile Exchange Inc. ("CME" or the "Exchange") hereby notifies the Commodity Futures Trading Commission ("Commission") that it plans to implement the CME Standard-Sized and E-Micro Indian Rupee/U.S. Dollar ("INR/USD") Futures Market Maker Incentive Program ("Program"). The proposed Program will become effective on January 28, 2013.

Exhibit 1 sets forth the terms of this Program.

CME business staff responsible for the Program and the CME legal department collectively reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodities Exchange Act ("CEA"). During the review, CME staff identified the following Core Principles as potentially being impacted: Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules and Recordkeeping

The proposed Program will not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. Nevertheless, Exchange staff will continue to monitor trading in the Program's products in order to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The proposed Program does not impact the Exchange's order execution. Participants in the Program will be selected by CME staff using criteria as set forth in Exhibit 1. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with CME in which each participant will expressly agree to comply with, and be subject to, applicable regulations and Exchange rules. Additionally, the proposed Program will be subject to the Exchange's record retention policies, which comply fully with the CEA.

CME certifies that the proposed Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
