Rule Certification

Dear Mr. Stawick:

Pursuant to Commission Regulation 40.6(a), the Chicago Board of Trade (CBOT[®]) hereby submits the following:

- **Revised electronic trading hours for CBOT Agricultural and Financial contracts as indicated in the attached. (All times shown are Central Time.)**

As a result of these changes, electronic trading in CBOT Agricultural and Financial products will open 30 minutes earlier than is presently the case. In addition, all products within a product group will open simultaneously rather than on a staggered basis.

The CBOT intends to implement these trading hour changes concurrently with the transition of these products from the e-cbot[®] platform to the CME Globex[®] platform. The scheduled implementation dates are January 13, 2008 (trade date January 14, 2008) for Agricultural contracts and January 27, 2008 (trade date January 28, 2008) for Financial contracts.

There were no opposing views with respect to these trading hour changes.

The CBOT certifies that these trading hour changes comply with the Commodity Exchange Act and the rules thereunder.

Sincerely,

Paul J. Draths
Vice President and Secretary
