**Re: Rule Certification. Notification of Amendments to Chapter 5,
Position Limit, Position Accountability and Reportable Level Table
of the NYMEX Rulebook Relating to the Launch of Five (5) Petroleum
Futures Contracts
NYMEX Submission No. 11-006**

Dear Mr. Stawick,

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying amendments to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook in relation to the listing of five (5) new Gasoil swap futures contracts. These amendments establish the all month/any one month accountability levels, expiration month position limits, reportable levels, and diminishing balances and aggregation allocations for the new contracts.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, NYMEX hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal. These changes will be made effective on trade date January 24, 2011.

The rule change is attached, with additions underscored and deletions bracketed.

Should you have any questions concerning the above, please contact Glenn Hofferber, Associate Director, Market Surveillance, at (212) 299-2884, or Ryne Toscano, Lead Market Surveillance Analyst, at (212) 299-2879 or me at (212) 299-2207. Please reference our NYMEX Submission No. 11-006 in any related correspondence.

Sincerely,

/s/Felix Khalatnikov
Dir & Assoc General Counsel
