Re: **Delisting of REC-MA; REC-NJ and REC-CT
Submission No. 12-01
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Stawick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended (the "Act") and 40.6 of the regulations promulgated by the Commodity Futures Trading Commission ("CFTC") under the Act, Chicago Climate Futures Exchange, LLC ("CCFE") hereby submits notification of rule amendments to the CCFE Rulebook (the "Rulebook").

Effective with the open of trading on Monday, January 23, 2012, CCFE is withdrawing its listing of the following futures contracts: (1) Massachusetts Compliance Renewable Energy Certificate Futures ("REC-MA"); (2) New Jersey Compliance Renewable Energy Certificate Futures ("REC-NJ"); and (3) Connecticut Compliance Renewable Energy Certificate Futures ("REC-CT"). We hereby certify that there are no current open positions in any of the above listed futures contracts. As a result of this withdrawal, CCFE is deleting chapters 32 (REC-MA); 33 (REC-NJ) and 34 (REC-CT) from the CCFE Rulebook. The determination to delist these contracts was made as part of CCFE's previously announced plans to wind down the Exchange. No substantive opposing views were expressed by market participants or others with respect to the delisting.

CCFE certifies that this amendment complies with the requirements of the Act and the rules and regulations promulgated thereunder. The Exchange further certifies that a copy of this filing was posted on the Exchange's website concurrent with this filing, which may be accessed at (<http://ccfe.com/ccfeContent.jsf?id=91305>).
