Re: REVISED Rule Certification. New York Mercantile Exchange, Inc. Submission #10-029R: Notification of Amendments to NYMEX Rules 559 and 560 Relating to the Launch of Four (4) New Regional Greenhouse Gas Initiative (RGGI) CO2 Allowance Futures with Specific Vintage Years, and Administrative Amendments to Existing Related Contracts

Dear Mr. Stawick:

Previously, by letter dated January 21, 2010 (Submission 10-029), the New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") notified the Commodity Futures Trading Commission ("CFTC" or "Commission") that it was self-certifying amendments to NYMEX Rules: 559, Position Limits and Exemptions; 560, Position Accountability; and 561, Reports of Large Positions, in relation to the listing of four (4) new Regional Greenhouse Gas Initiative (RGGI) CO2 Allowance Futures with specific vintage years in order to establish the all month/any one month accountability levels, expiration position limits, reportable levels, and aggregation allocations for the new contracts. In addition, Submission 10-029 also contained administrative amendments to existing related contracts in order to align the all month/any one month accountability levels and expiration month limits with those of the new contracts.

In this letter, the Exchange is hereby revising its filing of Submission 10-029 in order to adjust the previously established all month/any one month accountability levels and expiration month position limits for the four (4) new Regional Greenhouse Gas Initiative (RGGI) CO2 Allowance Futures with Specific Vintage Years, and those of the existing related contracts contained in NYMEX Rules 559 and 560. Reportable levels and aggregation allocations filed under Submission 10-029 remain unchanged. The revisions to Submission 10-029 are reflected in the attached table in blackline.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. These changes will be made effective immediately.

Should you have any questions concerning the above, please contact Anthony V. Densieski, Director, Market Surveillance, at (212) 299-2881, or me at (312) 648-5422.

Sincerely,

/s/ Stephen M. Szarmack
