**Re: Rule 40.6(a) Certification. Notification of Amendment to Listing Schedule for One
Petroleum Futures Contract
NYMEX Submission #13-024**

Dear Ms. Jurgens:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying an amendment to the listing schedule for the European Gasoil (100mt) Bullet Futures contract (NYMEX Commodity Code 7F, NYMEX Rule Chapter 712), to be effective on Sunday, February 10, 2013 for trade date Monday, February 11, 2013. The contract month list rule will be amended such that January 2015 will be the last listed contract month.

Draft Special Executive Report ("SER") #6538 which describes this change, which will be distributed to the marketplace, is attached hereto as Exhibit A.

NYMEX business staff responsible for the rule amendments and the Exchange legal department collectively reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("Act"). During the review, Exchange staff identified that the delisting of contract months may have some bearing on the following Core Principle:

- **Availability Of General Information:** The Exchange will make publicly available the details of the delisting of contract months by publishing a notice to the market

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6 (a), the Exchange hereby certifies that the delisting complies with the Act, including regulations under the Act.

There were no substantive opposing views to this proposal. This amendment will become effective from Sunday, February 10, 2013 for trade date Monday, February 11, 2013.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (312) 930-8167 or Sean.Downey@cmegroup.com.
