**Re: Rule Certification. Notification of Amendments to Chapter 5, Position Limit, Position Accountability and Reportable Level Table of the NYMEX Rulebook Relating to the Launch of Six (6) New Singapore Gasoil Swap Futures Contracts
NYMEX Submission #11-070**

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying amendments to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook in relation to the listing of six (6) new Singapore Gasoil Swap Futures contracts. These amendments establish the all month/any one month accountability levels, expiration month position limits, reportable levels, and diminishing balances and aggregation allocations for the new contracts.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal. This change will be made effective on trade date February 28, 2011.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2207, Joseph Hawrysz, Director, Global Market Surveillance at (312) 341-7750, or Ryne Toscano, Supervisor, Market Surveillance, at (212) 299-2879. Please reference our NYMEX Submission No. 11-070 in any related correspondence.

Sincerely,

/s/ Felix Khalatnikov
Dir & Assoc General Counsel
