Re: Rule Certification. New York Mercantile Exchange, Inc. Submission #10-042R: Notification of Amendments to Chapter 5, Position Limit, Position Accountability and Reportable Level Table of the NYMEX Rulebook Related to the Launch of Five (5) New Petroleum Swap Futures Contracts, and Administrative Amendments to Existing Related Contracts

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") previously notified the Commodity Futures Trading Commission ("CFTC" or "Commission") in Submission 10-042 dated February 4, 2010 that it was self-certifying amendments to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook in relation to the listing of five (5) new petroleum swap futures contracts. The amendments established the all month/any one month accountability levels, expiration position limits, reportable levels, and diminishing balances and aggregation allocations for the new contracts. Submission 10-042 also contained additional administrative amendments to existing related contracts including changes to the titles of the contracts, an aggregation allocation, and an amendment to an expiration limit.

This revised Submission 10-042R corrects inadvertent typographical errors related to the reporting level and aggregate allocation of the Dated Brent (Platts) Daily Swap Futures (Chapter 714, code 7G) contract which placed the reporting level and aggregate allocation in the wrong columns in the Chapter 5, Position Limit, Position Accountability and Reportable Level Table of the NYMEX Rulebook. The remainder of original Submission 10-042 is unchanged.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. These changes will be made effective immediately.

Should you have any questions concerning the above, please contact Anthony V. Densieski, Director, Market Surveillance, at (212) 299-2881, or me at (312) 648-5422.

Sincerely,

/s/ Stephen M. Szarmack
Regulatory Counsel
