pursuant to Previous List of Approved Delivery Facilities:
Warehouses
CME Submission No. 10-066**

Dear Mr. Stawick:

Chicago Mercantile Exchange Inc. ("CME") hereby notifies the Commodity Futures Trading Commission of amendments to the list of approved warehouse facilities eligible for delivery on CME's frozen pork bellies futures contracts from October 1, 2009 through September 30, 2010.

Attached please find two new additions to the list of CME-approved warehouse facilities for frozen pork bellies futures contracts from March 5, 2010. The amendments are effective immediately.

Two locations for Nor-Am Ice and Cold have been retroactively approved to store frozen pork bellies for the 2009-2010 storage season. This retroactive approval is the result of a change of ownership of the previously approved facilities and an administrative oversight that occurred at the beginning of the storage season in October, 2009.

CME certifies that these changes comply with the Commodity Exchange Act and regulations thereunder.

If you require any additional information regarding this matter, please do not hesitate to contact Estelle Nwadieli at (312) 341-7648, Joe Hawrysz at (312) 341-7750 or me at (312) 648-5422. Please reference CME Submission No. 10-066 in any related correspondence.

Sincerely,

/s/ Stephen M. Szarmack
Regulatory Counsel
