**Re: Rule Certification. Notification of Administrative Amendments to the Chapter 5, Position Limit, Position Accountability and Reportable Level Table of the NYMEX Rulebook  
NYMEX Submission #11-124**

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying administrative amendments to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook. The amendments intend to remove the contracts listed by the Green Exchange LLC (GreenX) and Dubai Mercantile Exchange (DME) from the Position Limit, Position Accountability and Reportable Level Table of the NYMEX Rulebook. The contracts intended to be removed from the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook were migrated to the GreenX on trade date January 24, 2011, and to the DME on trade date May 1, 2007, respectively. Service agreements between the CME Group (parent company of NYMEX) and its respective joint ventures do not indicate a requirement that NYMEX maintain a reference to products of other designated contract markets in its Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook.

Please note that reporting firms will be advised to continue to report positions of these contracts to NYMEX in the same manner as they are currently reported, but may refer to the GreenX and DME rulebooks, respectively, for the position limit, position accountability and reportable levels.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal. These changes will be made effective on trade date April 4, 2011.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2207, Daniel Meir, Lead Market Surveillance Analyst, at (212) 299-2878, or Ryne Toscano, Supervisor, Market Surveillance, at (212) 299-2879. Please reference our NYMEX Submission No. 11-124 in any related correspondence.

Sincerely,

/s/ Felix Khalatnikov  
Dir & Assoc General Counsel
