**Re: Rule Certification. Notification of Amendments to Chapter 5, Position Limit, Position Accountability and Reportable Level Table and Header Notes of the NYMEX Rulebook Relating to the Launch of Six (6) New Euro-Denominated Petroleum Swap Futures Contracts, and Amendments to the Any One Month Accountability Levels and Aggregation Allocations for Existing Related Contracts
NYMEX Submission #11-130**

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying amendments to the Position Limit, Position Accountability and Reportable Level Table and Header Notes located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook in relation to the listing of six (6) new Euro-Denominated petroleum swap futures contracts. These amendments establish the all month/any one month accountability levels, expiration month position limits, reportable levels, and diminishing balances and aggregation allocations for the new contracts.

In addition, the Exchange is self-certifying amendments to the Header Notes in order to clarify that the new Mini contracts (Commodity Codes MGG, MUL, MFE, and MFT) shall be deemed equivalent to 0.10 of the quantity of the base contract into which they aggregate.

Furthermore, the Exchange is self-certifying amendments to the any one month accountability levels and aggregation allocations for existing related petroleum contracts that were affected by the launch of the new contracts.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal. These changes will be made effective on trade date April 18, 2011.

Should you have any questions concerning the above, please contact Chris Reinhardt, Associate Director, Market Surveillance, at (212) 299-2882, or Ryne Toscano, Supervisor, Market Surveillance, at (212) 299-2879. Please reference our NYMEX Submission No. 11-130 in any related correspondence.

Sincerely,

/s/Felix Khalatnikov
