Re: Rule Certification. Notification of Amendments to Chapter 5, Position Limit, Position Accountability and Reportable Level Table of the NYMEX Rulebook Relating to the Launch of a New Petroleum Swap Futures Contract NYMEX Submission #11-153

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying amendments to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook in relation to the listing of the new European Propane CIF ARA (Argus) vs. Naphtha CIF NWE (Platts) Swap Futures contract. These amendments establish the all month/any one month accountability levels, expiration month position limit, reportable level, and diminishing balances and aggregation allocation for the new contract.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal. These changes will be made effective on trade date May 2, 2011.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2207, Chris Reinhardt, Associate Director, Market Surveillance, at (212) 299-2882, or Ryne Toscano, Supervisor, Market Surveillance, at (212) 299-2879. Please reference our NYMEX Submission No. 11-153 in any related correspondence.

Sincerely,

/s/ Felix Khalatnikov Dir & Assoc General Counsel
