**Re: Amendments to Rule 19.205 and 19.206 -
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Stawick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6, ICE Futures U.S., Inc. ("Exchange") submits, by written certification, amendments to Rule 19.205 and 19.206, attached as Exhibit A.

Amendments to Rules 19.205 and 19.206 correct unintended changes created by the recently adopted amendments to the Last Trading Day ("LTD") for the Russell 1000 Index and Russell 2000 Index futures and options contracts.

In Submission No. 08-31, dated May 12, 2008, the Exchange submitted, by written certification, amendments to change the LTD for the several products in the Russell Complex, including the Russell 1000 Index and the Russell 2000 Index futures contracts. The LTD for these contracts was effectively moved from the third (3rd) Thursday to the third (3rd) Friday of the expiring contract month. The prior amendments also had the unintentional effect of moving the LTD for Russell 1000 Index options and Russell 2000 Index options to the third (3rd) Friday of the expiring month despite the fact there is no electronic trading of these two options and no effective capability to trade them after 4:15 on the third (3rd) Thursday of the expiring contract month.
