Re: **Delisting of EURO Index Futures and Options Contracts -
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Stawick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6, ICE Futures U.S., Inc. (the "Exchange") submits, by written certification, a notice to the Commission that the Exchange will be delisting as of the close of business May 20, 2011 all currently listed contract months in the EURO Index futures and options contracts (the "Contracts") that have no outstanding open interest and ceasing to list new futures and options expiration months in the Contracts.

As of the close of business on May 18, 2011, there was no outstanding open interest in any of the expiration months currently listed for the Contracts. No volume has traded in either the futures or the options contract in 2009, 2010 or year to date in 2011.

The determination to delist the Contracts was adopted by the Exchange's Board of Directors on May 19, 2011 and will become effective as of the close of business May 20, 2011. No substantive opposing views were expressed by members or others with respect to the delisting. The Exchange certifies that the delisting complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder.
