**RE: Updating the Position Limits for the U.S. Dollar Cash
 Settled Crude Palm Oil Futures Contract
 CME Submission No. 10-161**

Dear Mr. Stawick:

On March 5, 2010, Chicago Mercantile Exchange Inc. ("CME") self-certified the contract rules and specifications for the U.S. dollar cash settled Crude Palm Oil futures contract. After further review by our Market Regulation department it was noticed that the position limits rule was not consistent with other CME products. Therefore, we are correcting the wording within the rules.

Attached you will find the updated rules with additions underlined and [~~deletions struck through and bracketed~~]. The rule amendments will be made effective immediately.

The Exchange certifies that these contract terms and conditions comply with the Commodity Exchange Act and regulations thereunder.

If you require any additional information, please contact David Lehman at 312-930-1875 or via e-mail at David.Lehman@cmegroup.com; John Hill at 312-930-1852 or via e-mail at John.Hill@cmegroup.com; or contact me at 312-648-5422. Please reference our CME Submission No. 10-161 in any related correspondence.

Sincerely,

/s/ Stephen M. Szarmack
Regulatory Counsel

Chapter 204
U.S. Dollar Cash Settled Crude Palm Oil Futures

20400. SCOPE OF CHAPTER

This chapter is limited in application to U.S. dollar cash settled crude palm oil futures. The procedures for trading, clearing and settlement, and any other matters not specifically covered herein shall be governed by the rules of the Exchange.

20401. CONTRACT SPECIFICATIONS

Each futures contract shall be valued at 25 metric tons times the price of the corresponding CPO contract traded on the Chicago Mercantile Exchange, in US dollars per metric ton, as described in this Chapter.

20402. FUTURES CALL

20402.A. Trading Schedule

Futures contract shall be scheduled for trading during such hours and for final settlement in such months as may be determined by the Board of Directors.

20402.B. Trading Unit

The unit of trading shall be 25 metric tons of crude palm oil.

20402.C. Price Increments

Minimum price fluctuations shall be in multiples of \$0.25 per metric ton (\$6.25 per contract).

20402.D. Daily Price Limits

There shall be no trading at a price more than 10% above or below the previous day's settlement price, unless the Bursa Malaysia Derivatives Berhad contract is trading at expanded limits, in which case the same expanded limits shall apply.

20402.E. Position Limits

No person shall own or control more than:

1. 1,000 contracts net long or net short for ~~[all]~~ any contract month~~[s-combined.];~~

~~[2. 1,000 net long or net short in any single contract month excluding the spot month.]~~

~~[3]~~2. 500 contracts net long or net short in the ~~[spot]~~ expiring contract month as of the close of business on the last business day of the month prior to the expiration month.

20402.F. Accumulation of Positions

For purposes of this rule, the positions of all accounts directly or indirectly owned or controlled by a person or persons, and the positions of all accounts acting pursuant to

an expressed or implied agreement or understanding, and the positions of all accounts in which a person or persons having a proprietary or beneficial interest, shall be cumulated.

20402.G. Exemptions

The foregoing position limits shall not apply to bona fide hedging positions meeting the requirements of Regulation 1.3(z)(1) of the CFTC and the rules of the Exchange and shall not apply to other positions exempted pursuant to Rule 559.

20402.H. Termination of Trading

Trading shall terminate on the 15th calendar day two months prior to becoming the delivery month. If the 15th calendar day is not a business day, trading shall terminate on the on the preceding calendar day that is also a business day.

20402.I. Contract Modifications

Specifications shall be fixed as of the first day of trading of a contract, except that if any federal governmental agency issues an order, ruling, directive, or law that conflicts with the requirements of these rules, such order, ruling, directive, or law shall be construed to take precedence and become part of these rules, and all open and new contracts shall be subject to such government orders.

20403. SETTLEMENT PROCEDURES

20403.A. Final Settlement

There shall be no delivery of crude palm oil in settlement of this contract. All contracts open as of the termination of trading shall be cash settled to the average price of the corresponding FCPO contract traded on the Bursa Malaysia Derivatives Berhad during the last five trading days two months prior to becoming the delivery month. For each of the five-day calculation, the daily settlement price will be converted to USD and rounded to the nearest \$0.25 using the Association of Banks in Singapore's 11:00 am (Singapore time) MYR spot price. The five daily prices are then averaged to produce the final settlement price.
