Re: Security Futures Products Rule Submission and Rule Certification

Dear Mr. Stawick:

On behalf of OneChicago, LLC ("OCX" or "Exchange"), and pursuant to section 5c(c)(1) of the Commodity Exchange Act, as amended (the "Act"), and section 41.24 of the regulations promulgated by the Commission under the Act, submitted herewith are rule amendments to OCX Rules 902 (c) (Contract Specifications: Trading Hours; Delivery Months and Termination Dates) and Rule 905, Form of Specifications Supplement ("Form").

The Exchange originally adopted Rules 902 (c) and Rule 905 in 2002. Since that time the Exchange has had extensive experience with the listing process and has developed a more streamlined and efficient process. Accordingly, OCX is amending the Rule and the Form by adding certain specific language to the Rule regarding delivery months and termination dates and by modifying the Form so that only specific terms relative to the single stock future, which are not otherwise embodied in the Exchanges Rules, are provided in the Form. This language has become standard over the years and the Exchange believes that it is appropriate to codify that language into the Rule itself.

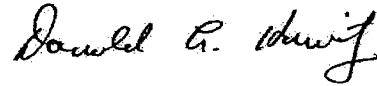

The proposed rule is included as Attachment A. Any deletions are marked by a strikethrough (~~xxx~~) and additions are underlined ().

This Rule amendment will be effective on June 18, 2009.

There are no opposing views that are not incorporated into this rule amendment.

On behalf of OCX, I hereby certify that the amendment complies with the Act and the regulations promulgated thereunder.

Sincerely,

A handwritten signature in black ink, appearing to read "Donald L. Horwitz". The signature is written in a cursive style with a large initial 'D'.
