Re: Rule Certification. New York Mercantile Exchange, Inc. Submission #09.113: Notification of Amendments to NYMEX Rules 9A.26, 9A.27 and 9A.34 Relating to the Listing of Four (4) New In Delivery Month EUA and CER Futures and Option Contracts

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying amendments to NYMEX Rules 9A.26, All Month/Any One Month Accountability Levels, 9A.27, Expiration Month Position Limit, and 9A.34, Reporting Level, in relation to the listing of four (4) new In Delivery Month European Union Allowance ("IDM EUA") and In Delivery Month Certified Emission Reduction ("IDM CER") futures and option contracts. These amendments establish the all month/any one month accountability levels, expiration position limits, reportable levels and aggregation allocations for the new contracts.

In addition, amendments are made to the aggregation allocations of four (4) existing European Union Allowance ("EUA") and Certified Emission Reduction ("CER") futures and option contracts. Those aggregation allocations are amended as a result of the launch of the IDM EUA and IDM CER contracts.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. These changes will be made effective on trade date June 22, 2009.

Should you have any questions concerning the above, please contact Anthony V. Densieski, Director, Market Surveillance at (212) 299-2881 or me at (312) 648-5422.

Sincerely,

/s/ Stephen M. Szarmack
Director and Associate General Counsel
