NYMEX Submission No. 13-277R**

Dear Ms. Jurgens:

New York Mercantile Exchange, Inc. ("NYMEX" or the "Exchange") hereby notifies the Commodity Futures Trading Commission ("Commission") of proposed modifications to the NYMEX Henry Hub Natural Gas Look Alike Financial Futures and Henry Hub Natural Gas Last Day Financial Futures Contracts Market Making Program ("Program"). The proposed modifications to the Program will become effective on August 1, 2013.

Exhibit 1 sets forth the terms of this Program. The modifications appear below with additions underscored and deletions ~~overstruck~~.

Please note that NYMEX is submitting NYMEX Submission No. 13-277R and 13-277RS to correct an error in the supplemental filing associated with NYMEX Submission No. 13-277. The only correction in this amendment adjusts a mistake in the revenue allocation percentages that were initially included in the corresponding supplemental filing. A copy of the revised supplemental filing will be filed with the Commission as NYMEX Submission No. 13-277RS.

NYMEX business staff responsible for the Program and the NYMEX legal department collectively reviewed the designated contract market core principles (the "Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, NYMEX staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program and proposed modifications do not incentivize manipulative trading or market abuse or impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. NYMEX market regulation staff will nevertheless continue to monitor trading in the Program's products to prevent manipulative trading and market abuse. The Program does not impact the Exchange's order execution. Participants in the Program will be selected by Exchange staff based on criteria set forth in Exhibit 1. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with NYMEX in which each participant will expressly agree to comply with and be subject to, applicable regulations and NYMEX rules. The Program will be subject to the Exchange's record retention policies which comply with the CEA.

The Exchange certifies that the Program and proposed modifications comply with the CEA and the regulations thereunder. There were no substantive opposing views to this Program or its proposed modifications.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>
