Unless good cause for delay exists, within one business day the Panel shall determine whether force majeure exists, whether a Buyer or Seller is late in performing or has failed to perform its obligations as provided in the Rules, and advise the Market Regulation Department of such determination, and its findings in support thereof immediately. The Panel shall cause its determination to be communicated to the parties to the delivery as expeditiously as possible.

It shall be the burden of the Market Regulation Department to demonstrate, by the weight of the evidence, the appropriateness of the sanction set forth in the Notice of Assessment.
- (d) The Appellant shall be entitled to rebut the Market Regulation Department's evidence and shall be entitled to call witnesses and introduce documents in support thereof.
- (e) The Market Regulation Department and the Appellant shall be entitled to cross-examine any witness called by the opposing Party at the hearing.
- (f) The Notice of Assessment, the Notice of Appeal, the Memorandum of Appeal, any Answering Memorandum, the stenographic transcript of the appeal, any documentary evidence or other material presented to and accepted by the Panel shall constitute the record of the hearing. The decision of the Panel shall be based upon the record of the hearing.
- (g) The Panel shall have the power to impose a penalty against any person who is within the jurisdiction of the Exchange and whose actions impede the progress of a hearing.
- (h) The Assessment Appeal Panel shall issue a written decision in which it may affirm, reduce, or waive the charges assessed against the Appellant and shall state the reasons therefore.
