Re: Waiver of Exchange and Clearing Fees for EFP Transactions for Certain Physical Environmental Contracts

Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6

Dear Ms. Jurgens:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6(a), ICE Futures U.S., Inc. ("IFUS" or "Exchange") hereby notifies the Commission that from August 19, 2013 through December 31, 2013, the Exchange will waive Exchange and Clearing fees for EFP Transaction involving Texas Compliance REC futures and New Jersey Solar Renewable Energy Certificate futures As these products were recently listed on April 29, 2013 (see ICE Futures U.S. Submission 13-37), the fee waiver is being implemented to attract additional market participants and increase overall trading activity. Transaction fees for screen trades and block trades for these products will remain unchanged, as will delivery fees.

The fee waiver will become effective on August 19, 2013. The Exchange certifies that the fee waiver complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. The Exchange further certifies that, concurrent with this filing, a copy of this submission was posted on the Exchange's website and may be accessed at (<a href="https://www.theice.com/notices/RegulatoryFilings.shtml">https://www.theice.com/notices/RegulatoryFilings.shtml</a>).
