Re: Rule Certification. Notification of an Administrative Amendment to the Chapter 5, Position Limit, Position Accountability and Reportable Level Table of the NYMEX Rulebook to Correct a Typographical Error for a Mini Petroleum Spread Futures Contract NYMEX Submission #11-305

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying an administrative amendment to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook. The amendment is intended to correct a typographical error in the any one month accountability level for the second leg of the Mini Gasoil 0.1 (Platts) Barges FOB Rdam vs. ICE Gasoil Swap futures contract from 500/5,000 to 500/7,000. This amendment will conform the any one month accountability level of the second leg of the spread contract to that of the futures contract into which the second leg aggregates.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rules 40.2 and 40.6, the Exchange hereby certifies that the attached rule amendment complies with the Act, including regulations under the Act. There were no substantive opposing views to this proposal. This change will be made effective on trade date September 8, 2011.
