**Re: REVISED Certification. New York Mercantile Exchange, Inc.  
Submission #09-163R: Revision to List of Products Migrating to  
NYMEX Trading Floor as a Result of Decommissioning of CME  
ClearPort® Trading System**

Dear Mr. Stawick:

Previously, by submission dated August 20, 2009 (Submission #09-163), the New York Mercantile Exchange, Inc. ("NYMEX" or the "Exchange") notified the Commodity Futures Trading Commission ("CFTC" or "Commission") that it was self-certifying (i) the decommissioning of CME ClearPort Trading ("CPT"), the central order book electronic trading platform, and (ii) the migration onto the NYMEX trading floor of all products currently listed for trading on CPT, effective trade date August 31, 2009. The last trade date on CPT will be Friday, August 28, 2009.

In this revised submission, the Exchange is notifying the Commission that it inadvertently omitted the inclusion of the product NYMEX AECO/NIT Basis Swap (NGX/CGPR) (Chapter 516; commodity code NA) to the full list of effected products included in original Submission #09-163. This revised submission is made to provide a trading venue for the exclusive trade date of August 31, 2009 for NYMEX AECO/NIT Basis Swap (NGX/CGPR) contract which will be delisted at the end of the trading day on August 31, 2009. Please note that the delisting of the NYMEX AECO/NIT Basis Swap (NGX/CGPR) contract was previously self-certified with the Commission on August 18, 2009 under submission #09-155. The list of products that will be migrating from CPT to the NYMEX trading floor effective trade date August 31, 2009 and originally filed with the Commission under Submission #09-163 is amended and provided below to reflect the addition of this product.

The Exchange is notifying the Commission that it is self-certifying the listing of the NYMEX AECO/NIT Basis Swap (NGX/CGPR) contract onto the NYMEX trading floor upon decommissioning of CPT. Therefore, due to its delisting effective end of business on August 31, 2009, the NYMEX AECO/NIT Basis Swap (NGX/CGPR) contract will be available for trading on the NYMEX trading floor on August 31, 2009 exclusively, from 9:00 a.m. to 2:30 p.m. (Eastern Time). The NYMEX AECO/NIT Basis Swap (NGX/CGPR) contract will continue to be available for submission for clearing via CME ClearPort until 5:15 p.m. on Monday, August 31, 2009.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the migration of the NYMEX AECO/NIT Basis Swap (NGX/CGPR) contract to the NYMEX trading floor complies with the Act, including regulations under the Act. This revised self-certification will become effective on trade date August 31,

2009.

Should you have any questions concerning the above, please contact Bob Levin at (212) 299-2390, or contact me at (312) 648-5422.

Sincerely,

/s/ Stephen M. Szarmack  
Director and Associate General Counsel
