**Designated Contract Market Core Principles Implicated by  
NYSE Liffe US Submission 2013-116**

<b>CORE PRINCIPLE</b>	<b>ANALYSIS</b>
<i>Core Principle 13: Disciplinary Proceedings</i>	Core Principle 13 states that: “The board of trade shall establish and enforce disciplinary procedures that authorize the board of trade to discipline, suspend, or expel members or market participants that violate the rules of the board of trade, or similar methods for performing the same functions, including delegation of the functions to third parties.” CFTC Regulation Section 38.158(e) provides that no more than one warning letter may be issued to the same party for the same rule violation within a rolling 12-month period. By implementing a scheme for the levy of summary fines for minor rule violations, the Exchange will better and more efficiently enforce compliance with Exchange rules and streamline the disciplinary process.

## NYSE LIFFE US NOTICE No. 20/2013

ISSUE DATE: August 29, 2013  
EFFECTIVE DATE: September 13, 2013

### Summary Fines

#### Summary

This Notice announces that the Board has authorized the Exchange's Department of Market Regulation to impose summary fines for violation of certain Exchange Rules. Related amendments to Rule 718 are set forth in the Appendix to this Notice.

### 1 Summary Fines

- 1.1 Pursuant to Rule 718, the Exchange's Board of Directors has authorized the Market Regulation Department (the "Department") to impose summary fines of certain amounts for the violation of Exchange Rules requiring the timely and accurate reporting or submission of information to the Exchange.
- 1.2 The Board also authorized the amendment of Rule 718 to broaden the range of reporting violations that will be subject to the imposition of summary fines, consistent with the practices of other designated contract markets.
- 1.3 CFTC Regulation Section 38.158(e) limits the issuance of a warning letter for violation of the same Exchange Rule by the same party to one per rolling twelve-month period. By being able to impose summary fines, the Exchange's disciplinary processes will be better able to operate in an efficient and expeditious manner.

### 2 Instances where Summary Fines are Appropriate

- 2.1 The Exchange will levy summary fines against persons subject to the Exchange's jurisdiction for rule violations related to recordkeeping and submission of information to the Exchange. Summary fines will also be used for instances of misuse of identification codes and audit trail violations.

### 3 Summary Imposition of Fines

- 3.1 The Market Regulation Department will give notice of any fine imposed pursuant to Rule 718.
- 3.2 Such notice shall contain: (i) the violation(s) for which the fine is being imposed; (ii) the date of the violation for which the fine is being imposed; and (iii) the amount of the fine.

3.3 Within 10 days of serving the notice, the Person against whom a summary fine has been imposed must either pay the fine or submit a written request for a Summary Review Panel to convene to review the fine. If no request is made within 10 days of notice being served, the fine becomes final.
