NYSE Liffe U.S. – Extension of Designated Market Maker Program in MSCI Mini Index Futures

Summary

This Notice announces the Designated Market Maker Program (Program) in MSCI Mini Index Futures for the period from September 1, 2010 through June 30, 2011. Under the Program, the Exchange offers incentives to Designated Market Makers (DMMs) to post two-sided quotations, and provide liquidity in, MSCI Mini Index Futures.

1. Introduction

- 1.1. NYSE Liffe US Notice 20/2009 announced the appointment pursuant to NYSE Liffe US Rule 426 of DMMs for an initial term for MSCI Emerging Markets Mini Index Futures, MSCI EAFE Mini Index Futures and MSCI USA Mini Index Futures Contracts along with corresponding details concerning the program and participation.
- 1.2. NYSE Liffe US Notice 03/2010 announced the appointment of DMMs for a new term through August 31, 2010.

2. Appointment of Designated Market Makers

- 2.1. After considering the performance of the DMMs participating in the initial and second terms of the MSCI Mini Index Futures DMM Program, a core group of firms are being appointed to participate in various plans for one or more of the MSCI Mini Index Futures for the period commencing September 1, 2010 and continuing through June 30, 2011.
- 2.2. All DMM appointments are subject to the terms of a contractual agreement between NYSE Liffe US and each DMM. Under the terms of the agreements, each DMM represents that its market making activity will comply with the provisions of the Commodity Exchange Act, the rules and regulations of the Commodity Futures Trading Commission and the Rules of the Exchange. The Exchange will monitor DMMs' performance of market making activity under those contractual terms, and may adjust benefits otherwise due under the agreement accordingly or terminate the agreement.
