Re: Rule Certification. New York Mercantile Exchange, Inc. Submission #09.134: Notification of Amendments to NYMEX Rules 9A.26, 9A.27 and 9A.34 for Six (6) New Natural Gas Liquids ("NGL") Futures Contracts

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying amendments to NYMEX Rules: 9A.26, All Month/Any One Month Accountability; 9A.27, Expiration Month Position Limit; and 9A.34, Reporting Level, in relation to the listing of six (6) new Natural Gas Liquids ("NGL") futures contracts. These amendments establish the all month/any one month accountability levels, expiration position limits, reportable levels and aggregation allocations for the new contracts.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. These changes will be made effective on trade date July 20, 2009.

Should you have any questions concerning the above, please contact Anthony V. Densieski, Director, Market Surveillance, at (212) 299-2881, or me at (312) 338-2483.

Sincerely,

/s/ Lisa A. Dunsky
Director and Associate General Counsel
