**Re: Amendments to the Permit Holder Transition Fee Discount Program
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6(a)**

Dear Ms. Jurgens:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6(a), ICE Futures U.S., Inc. (“Exchange” or “IFUS”) self certifies amendments to the Permit Holder Transition Fee Discount Program (“Program”) which decrease the discount and extend the Program through October 31, 2014, as set forth below.

With the end of open outcry trading in October 2012, the Exchange stopped providing a separate, discounted Exchange and clearing fee to IFUS trading permit holders (see ICE Futures U.S. Submission 12-57). The Program was launched in November 2012 and offers individuals who previously received the discounted permit holder rate as of October 19, 2012, the last day of open outcry trading, discounted Exchange and clearing fee rates based upon achievement. The discounted fee, which is determined by the participant’s monthly trading volume (excluding EFP, EFS, EOO and Block Trades) in Exchange futures and options contracts, is being increased by \$0.10 per lot, as shown below:

| Agricultural Products | |
|------------------------------|---|
| Monthly Volume | Discount |
| 5,000 lots or more | Increased from \$1.00 per side to \$1.10 per side |
| Less than 5,000 lots | Increased from \$1.25 per side to \$1.35 per side |
| Financial Products | |
| Monthly Volume | Discount |
| 1,000 lots or more | Increased from \$0.30 per side to \$0.40 per side |
| Less than 1,000 lots | Increased from \$0.90 per side to \$1.00 per side |

In addition, the Exchange believes that the Program has helped maintain liquidity in the agricultural and financial markets since the end of open outcry trading and is therefore extending the term for an additional year, through October 31, 2014.

The Exchange certifies that the amendments to the Program comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. The Exchange further certifies that, concurrent with this filing, a copy of this submission was posted on the Exchange's website at (<https://www.theice.com/notices/RegulatoryFilings.shtml>). The Exchange is not aware of any opposing views with respect to the amendments, which will become effective for trade date November 1, 2013.
