Re: Rule Certification. New York Mercantile Exchange, Inc. Submission #10-291: Notification of Amendments to Chapter 5, Position Limit, Position Accountability and Reportable Level Table of the NYMEX Rulebook Relating to the Launch of the New Iron Ore 62% Fe, CFR China (Platts) Swap Futures Contract, and Administrative Amendments to an Existing Related Contract

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying amendments to the Position Limit, Position Accountability and Reportable Level Table located in the Interpretations and Special Notices Section of Chapter 5 of the NYMEX Rulebook in relation to the listing of the new Iron Ore 62% Fe, CFR China (Platts) Swap Futures contract. These amendments establish the all month/any one month accountability levels, expiration month position limit, reportable level, and aggregation allocation for the new contract.

In addition, the all month/any one month accountability levels, expiration month limit and aggregation allocation were amended for an existing related contract that was affected with launch of the new contract.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. These changes will be made effective on trade date October 18, 2010.
