## Re: Change to Trading Hours for Sugar No. 11<sup>®</sup> Futures and Options Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6(a)

Dear Ms. Warfield:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commission Regulation 40.6(a), ICE Futures U.S., Inc. ("Exchange") submits, by written certification, a change to the trading hours for Sugar No. 11<sup>®</sup> futures and options contracts. Specifically, the revision to trading hours provides for a consistent 2:30 am NY open time for the contracts. Currently the hours provide for a 1:30 am open time during US Daylight Saving Time ("DST") and a 2:30 am open outside of US DST. The change was supported by the Exchange's World Sugar Committee and will take effect on November 5, 2012, coincident with the end of DST.

The Exchange certifies that the new trading hours comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. The Exchange further certifies that, concurrent with this filing, a notice of pending certification was posted on the Exchange's website as well as a copy of this submission, which may be accessed at (<u>https://www.theice.com/notices/RegulatoryFilings.shtml</u>). No substantive opposing views were expressed by members or others with respect to the amendments.
