Re: Rule Certification. Commodity Exchange, Inc. Submission # 10-311: Notification of Housekeeping Rule Amendment for Gold Option, Silver Option, and Copper Option Contracts

Dear Mr. Stawick:

The Commodity Exchange, Inc. ("COMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying amendments to Rule 115.05 "Gold Option – Price Limits and Cessation of Trading in Gold Options", Rule 116.05 "Silver Option – Price Limits and Cessation of Trading in Silver Options", and Rule 117.06 "Copper Option – Price Limits and Cessation of Trading in Grade 1 Copper Futures Options". These rule amendments remove the references to price limits from the respective rules as the references to price limits are no longer applicable since they had been removed from the respective underlying futures contracts.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the aforementioned rule amendments comply with the Act, including regulations under the Act. These amendments will be effective on trade date Monday, November 1, 2010.
